Bilingual Transportation Desk Operator

Oakville, ON

Description:

The Transportation Desk Operator is a detail-oriented, focused communicator who can monitor, integrate, aggregate and report on several simultaneous information feeds; preparing clear, concise written and verbal reports depicting active traffic conditions and road incidents.

Responsibilities:

- Monitoring of multiple, simultaneous information feeds including Web, audio and video streams
- Monitoring of emergency service radio feeds
- Communicate and coordinate with other transportation and public safety agencies
- Communicate and coordinate with third-party traffic reporting teams
- Monitoring of road and atmospheric weather conditions
- Editorialize/report/summarize active road or traffic incidents or conditions
- Provide summary/overview briefing to broadcast production teams
- Shift work will be required

Responsibilities and duties may evolve and change over time.

Qualifications:

- B.A. Degree in Journalism or Communications, or similar experience.
- 2 to 3 years of experience in a "live" communications environment, i.e. broadcast, 911 or call center, dispatch, etc.

Competencies:

- Must be able to communicate fluently in English (both written and verbal)
- French language skills a requirement
- Works well under pressure
- Excellent work ethic...particularly during periods of active weather
- Excellent computer skills, experienced with data entry
